

Recommended sequence of Child Development classes for degree completion

Below is a recommended suggestion of a pathway to take to be a successful Child Development student. Content in the coursework builds through the classes and you will be successful in later classes if you give yourself a good solid foundation from the earlier classes.

Semester	Recommended Courses
Semester 1	CDV02 Child Growth and Development CDV61 Child, Family, and Community CDV24 Health, Safety, and Nutrition
Semester 2	CDV62 Principles and Practices CDV 04/04L Observation and Assessment CDV Elective (as needed for your degrees and certificates)
Semester 3	CDV63 Curriculum CDV05 Teaching in a Diverse Society CDV Elective (as needed for your degrees and certificates)
Semester 4	CDV66/66L Practicum Pre-requisites 02, 62, 63, 04/04L CDV Elective (as needed for your degrees and certificates)
