

## Associate Degree for Transfer – Public Health Science

### STUDENT ADVISING GUIDE

#### PUBLIC HEALTH SCIENCE FOR TRANSFER

Associate Degree for Transfer  
A Degree with a Guarantee.™

The Associate in Science in Public Health Science for Transfer Degree (Public Health Science AS-T) is intended for students who plan to complete a bachelor’s degree in a similar major, such as Health Science, Health Education, and Public Health at a CSU campus. Students completing the degree are guaranteed admission to the CSU system, but not to a particular campus or major.

A student graduating with an Associate in Science in Public Health Science for Transfer Degree may transfer to a CSU Campus to complete a Bachelor’s Degree in Health Science or a similar major.

#### To earn a Public Health Science AS-T degree, students must complete:

1. Certified completion of 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following:
  - a. The Intersegmental General Education Transfer Curriculum (IGETC-CSU) or the California State University General Education-Breadth Requirements.
  - b. A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district.
2. Obtainment of a minimum grade point average of 2.0 on transfer courses.
3. Obtainment of a “C” grade or better in all courses required for the major or area of emphasis.
4. Complete a minimum of 12 units in residency at the college granting the degree.
