

Basic Law Enforcement Academy

APPLICATION FOR ENROLLMENT

**Ventura County Criminal Justice Training Center
And
Ventura College**

Law Enforcement Training

Before starting this application, please carefully review the Academy Applications Instructions document, found on the “How to Apply” link.

Application Process

The academy application process consists of seven parts: 1) the application, 2) reading and writing assessment test, 3) fingerprint check, 4) driver’s history, 5) medical screening, including drug testing, 6) POST physical agility test, and 7) conduct clearance. You should begin early to ensure all phases are completed prior to the deadline. Contact the Criminal Justice Department at Ventura College if you have any questions or encounter and difficulty along the way.

1. **Application Form:** Required of all applicants. Complete the form entirely. Do not leave blanks. *An incomplete application may be grounds for non-acceptance or delay in processing.*
2. **Reading and Writing Ability:** California law requires that “Every peace officer candidate shall be able to read and write at the levels necessary to perform the job of a peace officer.” Therefore, applicants for the academy must possess a level of reading and writing ability that will allow them to be successful and meet the legal requirement. There are multiple measures used to indicate an adequate level of ability to read and write for this program. You will find these in the Application Instructions document, as well as in the Ventura College Catalog.
3. **Fingerprint Check:** This is required of non-affiliated applicants. Because of long delays at the California Department of Justice, we ask you to submit your prints as early as possible in your application process.
4. **Driver’s History:** Each applicant must have and maintain a valid California Driver’s License. Contact the Criminal Justice Department if there are any problems with a driving history.
5. **Medical Screening:** There are two parts to this phase: (1) a self-history completed by you, and (2) a physical exam and medical release completed and signed by a physician or medical practitioner.
6. **POST Physical Agility Test**
7. **Conduct:** If a student violates the Ventura College Student Code of Conduct while attending the Basic Law enforcement Academy, or if a student has violated the Ventura College Student Code of Conduct in the past, they will not be admitted to the program. Examples of violations include, but are not limited to, academic dishonesty, cheating, plagiarism; causing, attempting to cause, or threatening to cause physical injury to another or ones’ self; disruptive behavior, etc.

To submit your completed application, contact the Academy Liaison – Bryan MacDonald. He may be contacted via email at Bryan_MacDonald@vccd.edu or via cell phone at (805) 857-5236. He will arrange to receive your application.
