ABOUT THE ACADEMY

The **Miriam & Henry Schwab Academy of Music** provides instruction and performance opportunities in chamber music and orchestra to student instrumentalists through three main components.

The **Schwab Summer Academy** is an intensive three-week program held each July. Participants study and perform a series of public concerts alongside nationally-recognized **professional mentors**. The Academy's **Extension Program** continues this mentorship during the regular academic year.

The Summer Academy dovetails with the **Henry Schwab Violin & Viola Competition**, a concerto competition that highlights talented young soloists accompanied by the Academy Orchestra.

“The Schwab Academy teaches more than just music,” says music director **Ashley Walters**. “It teaches students to develop a strong work ethic, how to work as a team player to meet goals, and provides students of all ages with an incredible community that can offer support and guidance as they pursue their dreams.”

SUPPORT

Miriam Schwab's passion for music and her generous support of student musicians made the The Schwab Academy of Music possible. If you would like to help us strengthen and grow Miriam's vision for the Academy, please consider making a donation through the **Ventura College Foundation**.
