STEM

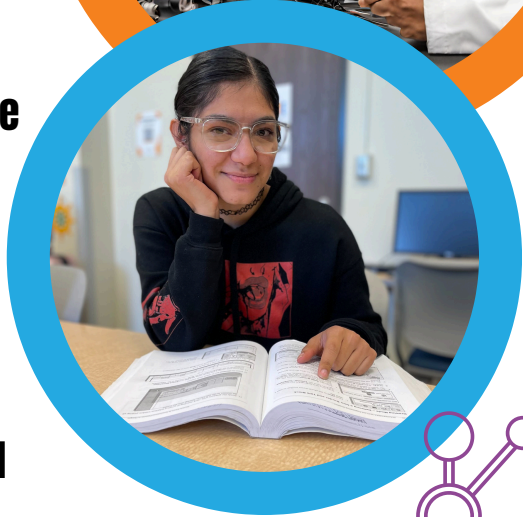

Voyage

Open to new to college and rising 2nd year students pursuing STEM majors.

We will introduce you to what to expect as a new STEM student. Meet and network with peers and our Success Team while exploring what the STEM Harbor and campus support services has to offer. Our supportive culturally affirming STEM *familia* (family) is committed to ensuring your equitable academic, transfer, and career success.

Completing STEM Voyage will provide you priority consideration for a STEM Navigator paid position fall 2025, access to our new internship and undergraduate research experience programs, personalized STEM counseling, and all Project S:AIL in STEM activities. This is an opportunity you won't want to miss!
