

The California Central Coast Community College Collaborative (C6)
invites STEM students from the Central Coast to our Fall 2024 STEMinar Series

The C6 Alliance is dedicated to helping STEM students across the Central Coast to excel in their academics and develop professional networks designed to assist them in entering into the STEM careers of their dreams. STEM students from Allan Hancock, Cabrillo, Cuesta, Monterey Peninsula, Moorpark, Oxnard, Santa Barbara City, and Ventura Colleges are invited to join us for these instrumental and informative presentations as the Alliance rallies around you to support your academic success! Just follow the links below to get registered for any (or all!) of these remote presentations brought to you by C6.
