Parent Letter Information

A parent letter allows you to take courses at another non-VCCCD institution while still receiving benefits. To optimize efficiency, the VA ensures that a Veteran's educational pursuits align with VA-approved coursework. If you're taking courses elsewhere, a parent letter will be needed to facilitate the certification of your courses for VA benefits.

If VENTURA COLLEGE is your primary campus

Our A&R team will send parent letter to SCO at our sister colleges (OC & MC)

If you plan on taking concurrent courses at another community college (not OC or MC), student may need to provide copy of student schedule from other campus for parent letter to be sent for full benefit certification. Please send concurrent schedule to vcgibill@vcccd.edu

If VENTURA COLLEGE is NOT your primary campus

If OC or MC is home campus, they will alert our VC admissions team and provide the parent letter on their own. If neither is your home campus, please ask home campus to send VC a parent letter for certification to vcgibill@vcccd.edu
