**Purpose:** The mission of the workgroup is to focus on the delivery of distance education and student support services for online courses, partially online courses, and on ground courses. The workgroup will take a proactive role in educational, technological, and professional development issues pertaining to distance education.

**Vision:** We will provide quality distance education services that enhance students’ opportunities to be successful in their educational pursuits.

**2022-2023 Goals**

**Goal 1:** *Implement faculty-driven professional development that spotlights best practices in equity, humanization, and inclusion.*

**Goal 2:** *Develop peer mentoring community of practice to meet faculty where they are, bring new instructors to proficiency, and current DE instructors from competency toward excellence.*

**Goal 3:** *Create institutional best practices and resources for promoting academic integrity in online course design.*
